Appendix 8: Sample sexual abuse incident review forms

A. SEXUAL ABUSE INCIDENT REVIEW CHECKLIST

This sample checklist can help guide the process of reviewing known incidents and reported allegations, as required by PREA. Note that PREA Standard 115.286/386 requires agencies to conduct reviews of every sexual abuse investigation. Sexual abuse incident reviews must take place within 30 days of an investigation, whether the allegation was substantiated or was not.
